Senior year will be the last time you will enjoy young adult hood. Time is of the essences. 12th grade is only the beginning of your exploration of greatness to a brighter future.

Before You Speak, Listen. Before You Write, Think.
Before You Pray, Forgive. Before You Quit, Try.

Lastly, I have to give a warm remembrance to Crossroads.
Through the ups and downs we finally made it.

Congratulations and best wishes to the class of 2006.
Remember...

"Our deepest fear is not that we are inadequate.

Our deepest fear is that we are powerful beyond measure.

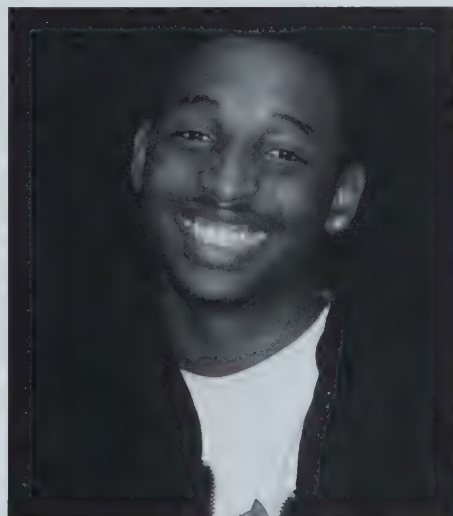

It is our Light, not our Darkness, that most frightens us.

We ask ourselves, who am I to be brilliant, gorgeous, talented, fabulous?

Actually, who are you NOT to be?"

There is a good reason they call these ceremonies
 "commencement exercises."
 Graduation is not the end, it's the beginning.
